*"Tax Credits not only provides tax savings opportunities, their attentive ability to stay in touch and understand your company's needs or limitations, and advise you accordingly, brings a sense of comfort to want to work with them."*

-- Christine Cudney, Director of Tax, Ameren Corporation

Because of significant economic benefits, many states have enacted, improved or expanded legislation to attract film production revenue. These transferable tax credits, which are risk free and typically deliver annualized yields in excess of 10%, are now available in about 14 states nationwide.

*"Tax Credits is clearly committed to the long-term success of Pennsylvania's film tax credit program, Creativity in Focus. They have made valuable legislative proposals and have been instrumental in the formulation of guidelines that target best practices and clarity. Thanks to the expertise and support of Tax Credits, Creativity in Focus maximizes the interests of producers, tax credit buyers and the Commonwealth, making it one of the best programs in the country."*

-- Sharon Pinkenson, Executive Director, Greater Philadelphia Film Office

Simplification of the tax credit purchase process is the goal of Tax Credits International, Inc. Corporations can realize substantial tax savings in as many states as possible by allowing our professionals to analyze suitable legislation and guidelines, identify appropriate tax credit purchase opportunities, and manage the paperwork. Average annualized yields often exceed 10% with no risk and little to no additional burden on your busy tax department.

If your company has a significant tax liability in Alaska, California, Connecticut, Dominican Republic, Florida, Georgia, Illinois, Louisiana, Massachusetts, Missouri, New Jersey, Pennsylvania, Puerto Rico, Rhode Island or West Virginia, a meeting with Tax Credits International is critical.
